**Time: 3:00pm to 4:30pm**

## **Meaningful Work: The Choice is Yours**

**DESCRIPTION:**

Hear about the history of the workplace and how in the last 25 years it has changed greatly, while behaviours and attitudes exhibited by many people have not changed. Learn about the concept of choices in the workplace and how this relates to the need for a change in personal awareness if we hope to survive and thrive. Discuss ideas on how to facilitate these concepts in your workplace.

**PRESENTER:**
