About North Eastman Health Association:

Established in 1997, the North Eastman Health Association (NEHA) serves a region extending to the Ontario border, north to the 53rd parallel, west to Lake Winnipeg, and south to slightly beyond the Trans Canada Highway. The region's geographic, cultural, and economic diversity pose a challenge to the delivery of healthcare services, as does the fact that the population more than doubles each summer with the influx of vacationers and cottage owners.

NEHA delivers a full range of healthcare services including Acute Care, Long Term Care, Diagnostic Services, Primary Health Care, Public Health, Mental Health, Home Care and Emergency Medical Services.
