

LEADERSHIP & MANAGEMENT

QNET Presents:

Innovation: Get it Started... Keep it Going!

Friday, April 15 – 7:30 to 9:00 a.m.

"Spotting trends is like being an outfielder. You don't move to where the ball is, you move to where the ball is going." - Larry Samuel, Co-Author, The Future Ain't What it Used to Be.

Explore the concept of innovation through a new set of filters. Learn new ideas on stimulating and implementing innovative thinking within your business or organization. Where does it all come from and what needs to be in place for innovation to be a part of the way you do business?

Presenter: Cec Hanec, Cec Hanec and Associates Inc.

Cec Hanec specializes in interpersonal communication skills, leadership development, self-management, workplace wellness, customer service, presentation skills, teamwork, coaching and continuous improvement. A zest for life, energy and positive outlook are her communication tools. Cec draws on her years as an entrepreneur in the not-for-profit and cross industry business sectors to provide hands-on experience and personal insight.
