

LEADERSHIP & MANAGEMENT

QNET presents:

Emotional Intelligence – *for achieving personal and organizational success*

Research shows that Emotional Intelligence can be twice as important as IQ and technical skills in determining who will become a top performer. Learn to use EI for professional and personal development, to build a high-performance team and to discover your next “star” performer!

Part I: Thursday, September 15, 2005 – 7:45 a.m. to 12:00 noon

- What is Emotional Intelligence and why should I be interested?
- The case for self-awareness and self-management: Don't be one of the “smart” people who fail!
- Use the BarOn EQ-I Model to analyze your Emotional Intelligence. If you wish to participate in the survey in Part I and receive a comprehensive report you must also register for Part II.

Part II: Thursday, October 6, 2005 - 7:45 a.m. to 12:00 noon

- Receive the results of the EQ-I Inventory. You are not required to share the details of the report in the session.
- Review tools and strategies to enhance your Emotional Intelligence to improve your career development.

Instructor: Heather Erhard, Director, Erhard Associates an organization dedicated to providing high quality, results oriented management consulting and training to the private, public and non-profit sectors.
