

# QUEST SERIES

## Quest... bridging the gap between business needs and local expertise

QNET members and clients are always on the quest for concepts, tools and practices relevant in today's workplace.

Launched in 2009, the Quest Series helps bridge the gap between the business need for new information, and the expertise that resides with many knowledgeable consultants and trainers here in Manitoba.

Presentations are 90 minutes (including time for Q&A). There is time for a light meal and networking prior to the presentation, and further networking time at the end. Event timing:

- Breakfast events: 7:30 a.m. to 9:30 a.m. (presentation 7:45 to 9:15)
- Luncheon events: 11:30 a.m. to 1:30 p.m. (presentation 11:45-1:15)

This is a great opportunity for consultants and trainers to connect with an audience of QNET members and clients from service, manufacturing, public sector (government, education and health), and non-profit organizations. Presentations should not be self-promotional. For each event, QNET will prepare a brochure, post it to the QNET website, and promote it in the eNews (distribution 4,500+ QNET members and clients).

### If you are interested in making a presentation...

Please submit a brief proposal (will be kept on file until the end of 2009) that includes:

- Brief description of the presentation (3-4 sentences or self-explanatory bullets)
