

SPONSOR INVITATION - Manitoba's Conference for Leaders 2021

Presented by QNET on Wednesday, May 19 at the Victoria Inn Hotel & Conference Centre, Winnipeg

This year's conference theme **Reset Refresh Reenergize** reminds us that real life is about hard work but we can still find ways to spark creativity, infuse balance, cultivate new ideas, and add some play into our work life.

To kick off the day, we're excited to feature international bestselling author and one of the ten most inspiring TED speakers of all time - **Neil Pasricha**.

Considered a thought leader for the next generation, Neil Pasricha is a top rated leadership speaker and award-winning blogger. He spent a decade running leadership development in the world's largest company and designed its global leadership development in partnership with Harvard University. A highly sought-after conference headliner, Neil has spoken to hundreds of thousands of people around the world, drawing on the latest research to increase individual performance and create a more positive, productive workplace. Neil has written five New York Times and #1 International Bestsellers including his highly anticipated new book You Are Awesome: How to Navigate Change, Wrestle with Failure and Live an Intentional Life, released in November, 2019.
