

# LEADERSHIP & MANAGEMENT

**QNET presents:**

## **Developing Others in Coaching**

**Thursday, April 25, 2019 – 8:15 a.m. to 12:00 noon**

**Location: QNET – Suite 660, 175 Hargrave Street, Winnipeg**

Developing people is one of their most important roles leaders play. Unfortunately, studies show that many leaders struggle to find an empowering developmental framework to effectively develop their team. Since coaching is proven to be the fastest way to change behaviour and reach strategic results, with empowerment and accountability, it has become a perfect vehicle for people development and the process of choice for leaders globally.

This interactive half day session will provide an opportunity for leaders to

- Understand the nuances of coaching for development
- Learn the coaching framework for people development
- Adopt the people development mindset
- Improve their awareness and observation for development
- Get hands on practice in people development coaching
- Learn a structure they can take back to work and implement immediately

### **Facilitator:**

Joyce Odisson, MA, PCC, CTD, President of Interpersonal Wellness Services Inc., is a Conflict Analyst, Leadership Coach, Mediator, and Author, with 22 years of experience in Organizational Development.
