

LEADERSHIP & MANAGEMENT

QNET presents:

Top 10 Ways to Support Performance Improvement

FREE Information Session – bring your own lunch, beverages provided by QNET

Monday, September 23, 2019 – 12:30 to 1:30 p.m.

Location: QNET – Suite 660, 175 Hargrave Street, Winnipeg

Join us for a free information session and discussion of 10 ways that you can support performance management.

Who should attend?

- Managers and other professionals who support performance improvement
- Human Resources and Learning & Development professionals
- Independent consultants, trainers and facilitators

This information session will also introduce QNET's new four day certificate program that will be launched this fall:

Certificate in Facilitation & Design (CFD)

Performance Development & Learning – October 29

Session Design: Workshops, Educational Events, Facilitated Sessions and More – November 13

Advanced Facilitation Skills – November 27

Facilitation in a Virtual Environment – December 11

Facilitator: Marie Antaya is the director of Eclectic Communications – a highly recognized training and consulting company that specializes in business communication and professional development. Marie has many years of experience as an educator in a variety of subjects including business communication. She has also led numerous program and course development projects. Along with her training and course development work, Marie has shared her expertise with clients in private, non-profit and public sector organizations. Using her combined experiences, Marie delivers informative, practical workshops tailored to the audience's needs. In addition, Marie has been involved in a range of writing and editing projects. She has developed resources, created promotional materials, and written website content. In all of her writing projects, Marie ensures that each document connects with the reader and gets results.
